1. In these rules, unless there is something repugnant in the subject or context,—

(1) "The Act" means the Births, Deaths and Marriages Registration Act, 1886, as amended by the Births, Deaths and Marriages Registration (Amendment) Act, 1911;

2. Notices of births and deaths shall be in the forms set forth in Schedule A and Schedule B, respectively.

3. Every such notice shall be signed by the person giving it, shall specify the capacity in which the person claims to be authorized to give it and, if such person does not attend personally before the Registrar, shall be attested by one of the following persons :—

(1) A Magistrate of any class including an Honorary Magistrate under either the British or the Nizam's Government.

(5) A Medical officer of the British or of the Nizam's service or a private medical practitioner holding a University diploma.

Failing any of these, the evidence of any two respectable persons may be accepted by the Registrar.

Provided that the Registrar may dispense with evidence of identity when the informant falls under any of the following classes :—

(2) A Medical Officer in the British or Nizam's service or a private medical practitioner holding a University diploma.

(4) Any person known to the Registrar personally.

The notice shall be filed separately and preserved permanently by the Registrar.

4. Every such notice shall ordinarily be presented to the Registrar for the local area in which the birth or death occurred within three months of the date of the birth or death to which it refers, as the case may be:

Provided that the Registrar may, of his own authority, for any reason which he considers sufficient, accept notice of a birth or death at any time within six months from the date of its occurrence, and with the special sanction in writing of the Registrar-General after that time.

5. Registers of births and deaths shall be kept in the forms set forth in Schedule C and Schedule D, respectively.

6. When a Registrar refuses to register a birth or death he shall record the reasons for his decision in a register maintained in the form given in Schedule E. An appeal against an order of a Registrar refusing to register a birth or death on any other ground than that referred to in proviso (a) to section 10 of the Act shall lie to the Registrar-General, who may in his discretion either confirm the order of the Registrar or direct him to register the birth or death.

7. If, at the time of registration of a birth, the child has not been named, the informant or the parents of the child may forward subsequently to the Registrar in duplicate a statement giving the name, signed by the minister or other person responsible for the naming of the child. The Registrar shall attach one copy of the statement to the entry of the birth in the register maintained by him and forward the second copy to the Registrar-General to be filed with the copy of the entry maintained in his office.

8. When a birth or death has occurred during a journey,

or when the person giving notice of a birth or death was compelled by duty, or urgent necessity, or unavoidable accident, to leave the local area in which such birth or death occurred so soon after its occurrence that he was unable to give the prescribed notice to the Registrar for that local area,

any Registrar may receive notice of such birth or death, and register the same as if it were a birth or death which had occurred within the local area for which he has been appointed.

9. The provisions of rule 4, as to the time within which notice of a birth or death must be given, shall apply to every notice of a birth or death given under the circumstances described in the last foregoing rule.

10. In every case of a birth or death admitted to registration under rule 8, the Registrar to whom the notice of the birth or death is given shall record in his register the reason why the notice was not given to the Registrar of the local area within which the birth or death occurred, and shall within one week from the date of the registration of the birth or death forward to the Registrar-General, and to the Registrar of the local area within which the birth or death occurred, a copy of the entry in the register relating to the birth or death.

Every Registrar shall paste into a book kept by him for the purpose all copies of entries received by him under this rule, and the book containing the copies shall be, at all reasonable times, open to inspection by any person desiring to inspect it.

11. The Registrar for any local area including a port may register any birth or death which has occurred on the high seas on board any ship arriving at such port:

Provided that notice of the birth or death is given to such Registrar within sixty days after the arrival of the ship.

In the notice of such birth or death, and in the entry thereof in the register, there shall be specified, in lieu of the name of the place at which, the name of the ship on which the event occurred, and the name of the commander of the ship, and the approximate latitude and longitude of the ship's position at the time of the birth or death.

12. Every certificate of registration of a birth or death given by a Registrar under section 23 of the Act shall be in the form set forth in Schedule F.

13. At the foot of every copy of an entry given under section 9 or section 25 of the Act there shall be written a certificate, dated and subscribed by the Registrar-General or officer authorized under section 9, or by the Registrar, as the case may be, that the copy is a true copy of the entry.

14. Every Registrar shall keep, in the form set forth in the Schedule G, a register of all certificates of registration and copies of entries given by him.

Every Registrar-General shall keep a register in a similar form of all copies given by him of entries in the certified copies of the registers sent to his office.

15. The copies of entries of birth and deaths which Registrars are required by section 25 of the Act to send to the Registrar-General shall be certified in the form set forth in Schedule H, and shall be sent at intervals of three months, on or as nearly as possible after the 1st January, April, July and October in each year.

Should no entries be made in a register during the preceding three months, a certificate to this effect shall be sent to the Registrar-General.

Every entry in an index shall be made alphabetically with reference to the initial letter of the name of the person indicated by the entry.

In the index of certified copies of entries of marriages, the names of both the husband and the wife must be indexed.

In the case of a person of European descent, the initial letter will be the first letter of the surname; and in the case of any other person, the first letter of his name, and not that of his rank, title or class.

17. A Registrar may, of his own motion, correct, in manner prescribed in section 28 of the Act, any error in form made in an entry of a birth or death in a register of births or register of deaths kept by him under the Act.

In every case in which an entry is corrected under this rule, intimation thereof shall (if practicable) be communicated, within one week from the date of the correction being made, to the person who gave the notice of the birth or death.

18. When an error in substance in any entry of a birth or death in a register of births or register of deaths is asserted to have been made, the Registrar may correct the error, in manner prescribed in section 28 of the Act, on application made in writing, and signed in the presence of two witnesses attesting the signature, by any person authorized under section 20 or 21, as the case may be, to give notice of the birth or death to which the entry relates:

Provided that the Registrar is satisfied that the application is well founded and that he places on record a memorandum of the evidence on which his opinion is based.

An appeal against an order of a Registrar under this rule refusing to correct an asserted error in an entry in a register shall lie to the Registrar-General who may, in his discretion, either confirm the order of the Registrar, or direct him to correct the error.

19. Without the special sanction in writing of the Registrar-General, an application for the correction of an entry in a register of births or register of deaths shall not be entertained after the expiration of one year from the date on which the notice of the birth or death was given.

20. The sums specified in Schedule L shall be the fees payable under the sections of the Act there referred to:

Provided that soldiers and non-commissioned officers of His Majesty's regular forces, all seamen, and such persons in indigent circumstances as satisfy the Registrar-General of their inability to meet the fees, shall be exempted from the payment of any fees, when the same are payable to a Registrar-General or a Government servant who is not a Minister of Religion.

21. Every Registrar-General and every Registrar who is a Government servant and not a Minister of Religion shall keep a register in the form set forth in Schedule M of all fees realized under these rules, and shall forward such fees at the end of each month to the nearest treasury to be credited to Government. The Treasury Officer shall give each Registrar a certificate of the amount so credited and the Registrar shall send a copy of the certificate to the Registrar-General. The liquidator of hostile firms shall not be entitled to disclaim any property in pursuance of rule 12 in any case where an application in writing has been made to him by any person interested in the property requiring him to decide whether he will disclaim or not, and the liquidator of hostile firms has for a period of twenty-eight days after the receipt of the application, or such extended period as may be allowed by the Government, declined or neglected to give notice that he disclaims the property; and in the case of a sentence, if such liquidator after such application as aforesaid does not within the said period or extended period disclaim the contract, he shall be deemed to have adopted it.

Exclusion of claims of hostile foreigners

14. In a winding up under the Ordinance, the claims of creditors who are not hostile foreigners are to be paid in full if there are sufficient assets, irrespective of the claims of hostile foreigners, and no provision is to be made for these latter by way of dividend or otherwise.

Proof of debts.

15. Subject as aforesaid, every creditor shall prove his debt, unless the Local Government in any particular winding up shall give directions that any creditors or class of creditors shall be admitted without proof.

Mode of proof.

16. A debt may be proved in any winding up by delivering or sending through the post to the liquidator of hostile firms an affidavit verifying the debt.

Verification of proof.

17. An affidavit proving a debt may be made by the creditor himself or by some person authorised by, or on behalf of, the creditor. If made by a person so authorised, it shall state his authority and means of knowledge.

Contents of proof.

18. An affidavit proving a debt shall contain or refer to a statement of account showing the particulars of the debt, and shall specify the vouchers, if any, by which the same can be substantiated. The liquidator of hostile firms, to whom the proof is sent, may at any time call for the production of the vouchers.

Statement of security.

19. An affidavit proving a debt shall state whether the creditor is or is not a secured creditor.

Costs of proof.

20. A creditor shall bear the cost of proving his debt, unless Government otherwise orders.

Discounts.

21. A creditor proving his debt shall deduct therefrom all trade discounts, but he shall not be compelled to deduct any discount not exceeding 5 per cent on the net amount of his claim which he may have agreed to allow for payment in cash.

Periodical payments.

22. When any rent or other payment falls due at stated periods, and the order to wind up is made at any time other than one of those periods, the persons entitled to the rent or payment may prove for a proportionate part thereof up to the date of the winding up order as if the rent or payment grew due from day to day:

Provided that where the liquidator of hostile firms remains in occupation of premises let to a hostile firm which is being wound up, nothing herein contained shall prejudice or affect the right of the landlord to claim payment by the hostile firm of rent during the period of occupation by the hostile firm of the liquidator as the case may be.

Interest.

23. On any debt or sum certain, payable at a certain time or otherwise whereon interest is not reserved or agreed for, and which is overdue at the date of the winding up order, the creditor may prove for interest at a rate not exceeding 6 per cent per annum up to that date from the time when the debt or sum was payable, if the debt or sum is payable by virtue of a written instrument at a certain time, and if payable otherwise than from the time when a demand in writing has been made giving notice that interest will be claimed from the date of demand until the time of payment.

Notice to creditors to prove.

24. Unless otherwise ordered by the Local Government, the liquidator of hostile firms in any winding up may, from time to time, by a certain day which shall be not less than twenty-one days from the date of notice on or before which the creditors of the hostile firm are to prove their debts or claims, or to be excluded from the benefit of any distribution made before such debts are proved, and the liquidator of hostile firms shall give notice in writing of the day so fixed by advertisement in such newspaper as he shall consider convenient.

Examination of proof.

25. The liquidator of hostile firms shall examine every proof of debt lodged with him, and the grounds of the debt, and by writing admit or reject in whole or in part, or require further evidence in support of it.

Appeal by creditor.

26. If a creditor is dissatisfied with the decision of the liquidator of hostile firms in respect of a proof, the Government may, on the application of the creditor, reverse or vary the decision.

Dividends to creditors.

27. (1) Not more than two months before declaring a dividend, the liquidator of hostile firms shall give notice of his intention to do so by advertisement in such newspapers as he thinks fit. Such notice shall specify the latest date up to which proofs can be lodged, which shall not be less than twenty-one days from the date of such notice.

(2) Where any creditor after the date mentioned in the notice of intention to declare a dividend as the latest date up to which proofs may be lodged, appeals against the decision of the liquidator of hostile firms rejecting a proof, notice of appeal shall, subject to the power of the Local Government to extend the time in special cases, be given within seven days from the date of the notice of decision against which the appeal is made, and the liquidator of hostile firms may in such cases make provision for the dividend upon such proof and the probable costs of such appeal in the event of the proof being admitted. Where no notice of appeal has been given within the time specified in this rule, the liquidator of hostile firms shall exclude all proofs which have been rejected from participation in the dividend.

(3) Immediately after the expiration of the time fixed by the rule for appealing against the decision of the liquidator of hostile firms, he shall proceed to declare the dividend, and shall send a notice of dividend to each creditor whose proof has been admitted.

Payments into and out of a Bank.

28. All moneys received by a liquidator of hostile firms shall be paid into such Bank as the Government may direct to the credit of an account entitled "The Hostile Firms Liquidation Account", and all payments out of such account shall be made in such manner as the Government may direct.

Payments out of assets.

29. The assets of a hostile firm in a winding up under the Ordinance shall be liable to the following payments, which shall be made in the following order of priority, namely:—

Firstly.—Such fees as the Governor General in Council may approve in respect of the services of the liquidator of hostile firms.

Next.—The actual expenses incurred in realising or getting in the assets.

Next.—The necessary disbursements of the liquidator of hostile firms other than the actual expenses of realisation heretofore provided for.

Next.—The costs of any person employed under the general or special sanction of Government, or in accordance with these rules by the liquidator of hostile firms.

Next.—The dividend payable to creditors who are not hostile foreigners and whose proofs have been admitted.

Disposal of surplus.

30. Any surplus remaining after making the payments in the last preceding clause mentioned shall be held by the Custodian to be dealt with by him as the Governor General in Council may direct.

General order not to override special order.

31. Nothing in the foregoing general order shall be construed to override or conflict with any special order which the Governor General in Council may make in regard to the winding up of any hostile firm.

Interpretation of the order.

32. The General Clauses Act, 1897, shall apply for the purposes of the interpretation of these rules in like manner as it applies for the purposes of the interpretation of an Act of the Governor General in Council. X of 1897.

No. 6053-W-II.—In exercise of the powers conferred by section 12 of the Enemy Trading Act, 1915 (XIV of 1915), the Governor General in Council is pleased to direct that the provisions of section 4 of the said Act shall apply to the following payments, namely:—

No. 40.—The following sub-clauses (*d*) and (*e*) shall be substituted for sub-clause (*d*) of clause (8) (the existing sub-clauses (*e*) and (*f*) being re-lettered (*f*) and (*g*), respectively), of the statement of services attached to the Port Trust's schedule of harbour dues published in Marine Department notification No. 3 on pages 9–18 of Part I of the *Fort St. George Gazette*, dated the 5th January 1916, as amended by Marine Department notification No. 25, dated the 3rd April 1915, published on page 337 of Part I of the *Fort St. George Gazette*, dated the 13th April 1915 :—

Clause 8 (*d*), *Covered space.*—For cargo stored in certain of the transit sheds allotted by the Trust for such purpose from time to time, the rent will be at the rate of Rs. 3-12-0 per calendar month or *pro rata* for parts thereof, per 100 square feet allotted or part thereof, whether the sheds are locked by the Trust or by the owners of the cargo. But, before he can be allotted space on these terms, the lessee must put it in writing that he understands clearly that the locking by the Trust of sheds thus partly or wholly rented to him does not avail to make it harbour of the goods so stored, unless the receipt specified in clause 1 (*b*) shall have passed to him from the Trust.

(c) *Merchants' warehouses*.—The Trust has provided certain covered sheds for lease to merchants for the storage by them, at their own entire risk, primarily of goods intended for export. The rent to be charged for these warehouses will be at the rate of Rs. 3-12-0 per calendar month or *pro rata* for parts thereof per 100 square feet allotted or parts thereof.

No. 374 —

Rules for the sale of Government quinine at Post offices.

1. Government quinine manufactured at the Nadiuttam factory will be kept for sale at all post offices in the Madras Presidency (except those noted in the margin) and in Coorg and in all Imperial post offices in the States of Sandur, Banganapalle, Cochin, Hyderabad, Travancore and Mysore.

Post offices in the district of Madras.

Note.—The rules do not apply to post offices in Pudukkottai State.

2. The Director of the Government Cinchona Plantations, the Nilgiris, will arrange for the supply of the quinine direct to each post office in small packets, each containing 100 ten-grain powders, to be sold at the rate of 3 pies per powder.

3 The amount to be accounted for by the post office on each packet will be Rs 1-5-0 and the 4 annas in excess which will be realized by the sale of the 100 powders will be the vendor's commission on the sales effected by him.

4 Seven packets each containing 100 powders will be issued to each of the head and sub-offices in the circle and to each of the branch offices in the Shimoga division and the value of those packets, viz., Rs. 9-3-0, at the rate of Rs. 1-5-0 per packet, is to be considered as a permanent advance for quinine in those offices. Three packets each containing 100 powders will be issued to each of the other branch offices in the circle and the value of those packets, viz., Rs. 3-15-0, at the rate of Rs 1-5-0 per packet, is to be considered as a permanent advance for quinine in those offices.

5. All head and sub-postmasters in the circle and branch postmasters in the Shimoga division must replenish their stock of quinine as soon as they have sold five packets by indenting on the Director of the Government Cinchona Plantations, Ootacamund, while other branch postmasters must replenish their stock in the same manner as soon as they have sold two packets. It will be the postmaster's duty to see that his stock is regularly replenished in time before the supply is exhausted.

6. Each indent for a fresh supply of quinine must be accompanied by a remittance made by money order for the value of the packets indented for, at the rate of Rs. 1-5-0 per packet, less the money order commission on the total value of the remittance.

7. Any quantity of quinine may be indented for at a time, provided that the indent is for not less than five packets of 100 powders each in the case of post offices whose permanent advance is Rs. 9-8-0, and not less than two packets of 100 powders each in the case of post offices whose permanent advance is Rs. 3-15-0, and that it does not include a fraction of a packet.

8. The indent for a fresh supply of quinine must always be written on the coupon of the money order, in the form given below —

"Please send by return post two, five or six packets (as the case may be) of quinine powders."

_____ Name

_____ Postmaster.

Date _____ [ ] Name stamp.

The amount remitted as well as the commission for the money order should be met by the postmaster from the sale-proceeds of quinine held as a permanent advance. The money order should be made payable to the Director of the Government Cinchona Plantations, Ootacamund. The postmaster should clearly impress the name stamp of his office at the bottom of the coupon containing the indent in order that the name of the office to which the quinine is to be forwarded may be readily ascertained.

9. When the charge of an office is transferred, the full amount of the permanent advance of 700 powders of quinine in the case of head and sub offices, and branch offices in the Shimoga division and of 300 powders of quinine in the case of the other branch offices, must be made over to the relieving official and it may be either in quinine or in cash or partly in quinine and partly in cash; but for every one anna and nine pies thus made over in cash, 4 pies may be deducted (being the commission on the sale of seven powders) from the permanent advance. No commission is allowed on the sale of any number less than seven powders. The transfer of the permanent advance in the manner described above on account of quinine must be entered at the foot of the charge report forwarded to the Superintendent

10. Communications on the subject to the Director of the Government Cinchona Plantations, the Nilgiris, may be sent on postal service, but, with this exception, everything relating to the transmission of quinine and the remittance of money to pay for it will be at the charge of the Government Cinchona department.

11. The packets containing the powders of quinine must not be exposed to damp, as otherwise the quinine may deteriorate.

12. Superintendents and Inspectors when verifying the accounts of first-class head offices and inspecting other post offices authorised to vend quinine should examine the permanent advance for quinine and see that it is correct. They should also make careful inquiries as to the manner in which the instructions conveyed in rule 11 are carried out and make notes in their verification or inspection reports on the progress of the scheme and of any matters of interest or importance in connection therewith.

3. Government reserves to itself all gold and other minerals, coal and stone or rock containing or supposed to contain gold or other minerals, and coal known to exist or which may, at any time hereafter, be discovered on, in, or under the said lands or any part thereof together with full and free liberty and right of ingress, egress and regress by nearest way at all times for Government servants, agents and workmen, and all persons duly authorized by Government in and upon the said lands, and either with or without horses and other cattle, carts, waggons, and other carriages and to erect on the said lands and use any engines and machinery for the purpose of searching for, working, getting and carrying away such gold and other minerals and coal and also to sink, drive, make and use upon the said lands mines, pits, shafts, drifts, adits, air-courses and water-courses, and to use all water which may be lifted or raised from the same; also to appropriate and use any part of the surface of the said lands for placing thereon the minerals, waste, rubbish and other substances got from such mines, and generally to do all acts and things necessary or proper for working and getting such gold and other minerals and coal and rendering same merchantable, Government paying or rendering compensation to the purchaser, his heirs, representatives and assigns for all damage he or they shall sustain by reason of the exercise of such right of way or by the erection and use of any such engines, machinery, or works or the exercise of all or any of such rights.

3-A. The Government also reserve to themselves the right to control and regulate at their absolute discretion, the collection, retention, and distribution of the water in or under the said lands or any part thereof, of all rivers and streams flowing in natural channels and of natural lakes and ponds or of the water flowing, collected, retained or distributed, in, or by any channel or other work constructed at the public expense and in particular to interrupt or make material alteration in the quantity, quality, direction, force or temperature of the said water and to cut off, stop and hinder the whole or any portion of the supply of the said water without being liable in any case to pay compensation for so doing.

(3) If the survey and demarcation of the lands have not been completed.

(4) If the sale has been ascertained to be objectionable on public grounds.

(5) If any claim of private ownership or exclusive occupancy or of any other right incompatible with the disposal of the lands under these rules has been preferred and is pending or is established.

The sale will be made subject to the following conditions :—

Conditions of Sale.

1. That the highest bidder above the upset price shall be the purchaser of the lot, and if any dispute arise between two or more bidders at the same price, the lot shall be immediately put up again at the last preceding undisputed bidding and re-sold.

2. That immediately after the lot is knocked down the purchaser thereof shall pay to the Collector or the officer authorized by him to conduct the sale a deposit of Rs. 10 per centum in part payment of his purchase-money and shall, at the same time, sign an acknowledgment in Form Y.

3. That the purchaser shall, within 30 days from the day of sale, pay to the Collector the residue of his purchase-money, and shall thereupon receive a patta for the premises in Form Z.

4. That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct description of the property and the measurement and boundaries of the premises previous to the sale, as, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever in the particulars of the property.

5. That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs. 12 per cent per annum on the remainder of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of re-sale reserved by the following condition; provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

6. That if the purchaser shall neglect or refuse to comply with the above conditions or any of them, his deposit money shall be forfeited, and retained by Government, and the Government shall be at liberty to re-sell the lot either by public auction or private contract without the necessity of previously granting a patta to the purchaser; and the deficiency, if any, arising from such re-sale, together with all expenses attending it, shall be made good by the purchaser at the present sale who shall so neglect or refuse as and for liquidated damages.

7. That the assessment on the land will be paid from fasli 1326, i.e., from 1st July 1916.

8. That the land shall not be sold to any one other than a British subject except with the sanction of the Board of Revenue.
